## **Pupil Premium Strategy**

## **Objectives of Pupil Premium Spending**

At The Grove Academy, we have high expectations for all our pupils and our vision is that we:

- Respect and value each other and work cooperatively
- Promote opportunities for all through a challenging and appropriate curriculum
- Develop an understanding of our strengths and weaknesses and increase selfrespect and self-discipline
- Foster an appreciation and understanding of the core values of truth, hard work, compassion and consideration
- Enable students to accept greater personal responsibility for their own actions.
- Provide students with the opportunity to access nationally recognised accreditations

We use our Pupil Premium Funding to support our vision and values through 2 main areas identified to support students. However, this in not exhaustive and will be used flexibly to meet the needs of individual children and young people:

- Achieve well in line with national expectations to ensure they are ready for the next stage on their educational
- Ensure Pupil Premium students are well cared for, are not identifiable and that systems are in place to support their **pastoral** needs
