

Springwell Harrogate Academy

(Formerly the Grove Academy)

Lead Teacher (Mathematics and Science) – MPS + TLR2a

- **Do you want a job where you can make a real difference to the lives of young vulnerable young people?**
 - **Do you want to be inspired on a daily basis by your work?**
- **Are you passionate about inclusion and have the ability to engage, motivate and promote the learning and personal development of pupils?**

We require an exceptional teacher who is passionate about providing the best possible education and care for vulnerable students who have excluded or are in danger of being excluded from mainstream schools. This post will involve teaching Mathematics and Science in KS3 and KS4 to children in an alternative provision setting. Significant training, time and support will be given to allow the successful candidate to be confident in delivering high quality learning.

Having recently joined Wellspring Academy Trust, Springwell Harrogate is an alternative academy providing high quality education for young people who have been excluded, or are in danger of exclusion from mainstream school. An exciting opportunity is available for someone looking for a fresh challenge in a newly refurbished learning environment where we provide children with 'second chance' learning. This post will suit a candidate who has the commitment, passion and resilience to make a difference to pupils who have a range of social, emotional, mental health educational needs. This post is for a member of staff who will support the learning of students in the classroom as part of a team.

This position may suit someone wishing to develop a career within the Education or Special Education Sector. Newly or recently, qualified teachers are welcome to apply, as a full and comprehensive package of training will be offered. The position may be of particular interest to applicants who have a passion in supporting the emotional and mental health needs of young people. We work closely with our partner school, Springwell Leeds Academy, and the Positive Regard Teaching School to support a career path for aspiring teachers through a rigorous development programme.

This post is available at our site on Grove Road in Harrogate. This has been recently refurbished to deliver a significantly improved environment in which to learn and work.

About us

Our aim is to provide the best possible care and education that we can for the young people in our care. Unconditional Positive Regard is at the centre of what we do and we are creating an academy that is welcoming, caring, safe, warm and believes that all its pupils can be supported and empowered to succeed. We are creating individual and personalised pathways for our students that are built around their varied needs, which will help them achieve positive outcomes and prepare them for their onward destinations into continuing education, work or training.

We see strong relationships as the key to our success – with students, parents, carers and the wider community and we ensure that our academy is a welcoming safe place for children to learn and prosper. We believe in working closely with our families and carers and welcome their support, but also realise that at times they will need our

support too. We work closely with other agencies and schools to make sure we do all we can to make learning and life the best it possibly can be.

Springwell places a huge emphasis on professional development and invests significantly in staff training at all levels. This means that, although experience of working in an alternative or specialist setting would be an advantage, specialist support and training will be provided for outstanding teachers wishing to make the career fulfilling move into special education.

If you would like to discuss or find out more about this post, please contact John Warren Principal (warrenjm@swharrogate.org.uk)

Completed applications should be e-mailed to Sharon Perkins, at s.perkins@springwellacademyleeds.org

All applicants should complete the Equal Opportunities form. Please click link for further details <http://bit.ly/WATEqualOpportunities>

The closing date for this post is 12.00 noon 20th November

We expect that interviews will take place the week after.

Springwell Harrogate is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. Successful candidates will be required to undergo an enhanced disclosure and barring services check.
